

# Geotechnical Policy – Kosciuszko Alpine Resorts Form 2 – Declarations and certification made by a structural engineer or civil engineer and geotechnical engineer or engineering geologist in relation to a geotechnical report

Date received: \_\_\_/\_\_\_/\_\_\_

DA no: \_\_\_\_\_

To be submitted with structural design forming part of an application for a construction certificate

This form must be attached with the submission of the structural documentation required for the determination of a construction certificate or combined development application and construction certificate submission. The applicant must issue a copy of the structural documents and form 2 to the geotechnical engineer who prepared or technically verified the geotechnical report for the development application now requiring a construction certificate.

Please contact the Alpine Resorts Assessments Team in Jindabyne for further information. Phone 02 6456 1733.

To complete this form, please place a cross in the boxes  and fill out the white sections.

## 1. Declaration made by structural or civil engineer in relation to the geotechnical report.

I, OVIDIU BOARU

Mr  Ms  Mrs  Dr  Other

Family name

OF

Company/organisation

G.O. ENGINEERING CONSULTANTS PIC

certify that I am a structural or civil engineer as defined by the "Policy" and I have prepared the below listed structural documents in accordance with the recommendations given in the following geotechnical report:

Title of geotechnical report

Proposed Feathers Lodge Extension, 21 Mountain Dr, THREEDOS

Development Site Address

21 MOUNTAIN DRIVE

Author

ASSET GEOTECHNICAL - MARK BARTZEL

Dated

24.11.2014
