Note: You can find the lot, section, DP or strata number on a map of the land or on the title documents for the land, if title was provided after 30 October 1983. If you have documents older than this, you will need to contact the NSW Department of Lands for updated details.

Briefly describe your proposal, including all major components. See Section 2 and Section 4 of the DA Supplement.

DIGITAL CONVERSION OF EXISTING PEDESTRIAN BRIDGE ADVERTISING SIGN.

Will this involve: (please tick where relevant)

- erecting, altering or adding to a building or structure
- a temporary building, structure, or use
- subdividing land

Please specify the no. of lots & attach preliminary engineering drawings of the work to be carried out.

- subdividing a building into strata lots
Please specify the no. of lots
- demolition
- changing the use of land or a building or the classification of a building under the Building Code of Australia (without building, subdividing or demolishing)
- advertising and signage
- other work (without building, subdividing or demolishing)?

Please indicate the number of jobs the proposed development will create. This should be expressed as a proportion of full time jobs over a full year, (e.g. a person employed full-time for 6 months would equal 0.5 of a full-time equivalent job, a person working for 20 hours per week for 6 months would approximate to 0.25 of a FTE job, six contractors working on and off over 2 weeks equate to 2 people working full-time for 2 weeks, which equals approximately 0.08 of an FTE job).

You can apply for development consent for only part of your proposal now, and for the remaining part(s) at a later stage.

Are you applying for development consent in stages?

No

Yes Please attach:

- information which describes the stages of your development
- a copy of any consents you already have for part of your development.

You need to provide a number of different plans that show what you intend to do. Section 3 of the DA Supplement sets out which plans to provide and the details to include. Contact the Department to find out the number of copies of plans required.

Please attach:

- a site plan of the land, drawn to scale
- plans or drawings of the proposal, drawn to scale

and, where relevant:

- an A4 size plan of the proposed building and other structures on the site
- a plan of the existing building, drawn to scale.

In order to assess your proposal, you will need to inform the Department of the potential impacts it will have. Depending upon the nature and scale of your proposal, you may need to provide one or more of the documents listed below to explain the environmental effects of your proposal. See Section 4 of the DA Supplement.

Is your proposal designated development?

Yes Please attach an environmental impact statement (EIS).

No Please attach a statement of environmental effects (SEE).

Is your proposal on land that is, or is part of, critical habitat, or is your proposal likely to have a significant effect on threatened species, populations, ecological communities or their habitats?

Yes Please attach a species impact statement (SIS).

No The proposal is not likely to have a significant effect on threatened species.

No The proposal is not likely to have a significant effect, because of the issue of a biobanking statement under Part 7A of the *Threatened Species Conservation Act 1995*.

Has a biobanking statement been issued? Yes No

Is the land you are proposing to develop within a wilderness area and the subject of a wilderness agreement or conservation agreement within the meaning of the *Wilderness Act 1987*?

Yes Please attach a copy of the consent of the Minister for the Environment to the carrying out of the development.

No

Does your proposal require works to a heritage item or works adjoining a heritage item?

Yes Please attach a heritage impact statement.

No

If your proposal involves works to a heritage item or works adjoining a heritage item you must obtain one of the following. Please tick which applies to your proposal.

- Exemption notification form under section 57(2) if the *Heritage Act 1977*
- Application under section 60 of the *Heritage Act 1997*
- Excavation permit under section 140 of the *Heritage Act 1977*.

A development application for any BASIX affected development must also be accompanied by a BASIX certificate (or certificates), being a BASIX certificate that has been issued no earlier than 3 months from the date of application.

Does your development require a BASIX certificate?

- Yes > Please attach a BASIX certificate and any other documents that are required by the BASIX certificate.
- No

Note: To find out if your development requires a BASIX certificate please contact the BASIX Help Line on 1300 650 908.

If you need development consent and one or more of the approvals listed in Attachment A of the DA Supplement, your development is known as integrated development. The relevant State agency will be involved in the assessment of your proposal. See Section 6 of the DA Supplement.

Is your application for integrated development?

- No
- Yes > Please complete Attachment A of the DA Supplement and submit with your application. Please attach:
- sufficient information for the approval body(ies) to assess your application
 - additional copies of your application for each agency. Contact the Department to find out the number of copies required.

12. Concurrence of State agencies

You may need the agreement of a State agency to carry out your development. Contact the Department to determine whether the application needs to be referred. A copy of your application will be sent to the relevant agencies to seek their agreement.

Do you need the concurrence of a State agency to carry out the development?

- No
- Yes > Please list any agencies whose concurrence you need.

Please attach sufficient information for the agency(ies) to assess your application.

You can support your application with additional material, such as photographs, including aerial photographs, slides and models to illustrate your proposal. Please list any material that has been attached:

Part 15 Division 1 of the Environmental Planning and Assessment Regulation 2000 sets out how to calculate the fees for development applications. For development that involves a building or other works, the fee for your application is based on the estimated cost of the development. If your application is for integrated development or requires concurrence from another State agency, you will need to include additional processing fees. If your development needs to be advertised to the public you may also need to include an advertising fee.

Note: Advertising fees attract GST, all other fees do not. Contact the Department if you need help to calculate the fee for your application.
