Hi Lachlan

Please find the attached Electrical Design and the Scope of Work for Charlotte Pass.

Also, we urgently request your written permission by no later than COB Monday, 12 February 2018 by return email to allow sufficient time for us to lodge our development application to ensure we can build this site before the snow season commences.

Regards

Hi Lachlan

Hope you're enjoying your break and apologies for the interruption.

We should have the electrical design to you very soon. In the meantime, due to the overlay we are required to lodge a planning application for proposed works and in order to do so, we need your written permission as the head lessee of the land.

At your convenience, can you please provide your written permission by return email.

Regards
