Subject: Re: DA 9964 Mount Tate Road, Guthega Village - Withdraw application

Hi Jennifer,

Please accept my apologies for this, I was contacted by Telstra this morning instructing me to withdraw the application.

Telstra still intends to provide coverage to Guthega Village and they will instruct me once they are ready to recommence. It is probably not a major issue at this stage because the department is in care taker mode and Telstra was still awaiting LOC. Hopefully I will be able to re-lodge soon.

Please accept my apologies again and please acknowledge receipt of this email requesting withdrawal of the application lodged in April 2019.

Regards
Petra
